

ADTRAN Mark C. Smith Scholarship

The ADTRAN Mark C. Smith (formerly the ADTRAN) Scholarship is awarded to an undergraduate student enrolled in the College of Engineering with preference given to students majoring in Electrical Engineering, Computer Engineering, Mechanical Engineering or Computer Science.

The ADTRAN Mark C. Smith Scholarship was established in 2000. Co-founded by Mark C. Smith, ADTRAN Inc. supplies innovative network access products that enable today's widespread digital telecommunications applications.

This scholarship is renewable for up to three additional years. The student must maintain a full-time course load (12 hours) each semester. In addition, recipients must complete a total of 24 credit hours each academic year and have a cumulative GPA of 3.0 or higher to be eligible for renewal. Students should submit a scholarship application every year in order to update their files and possibly be eligible for other awards.
